SHULA SAYS . . .

(ASTERISK DENOTES 1984 STARTER)

OFFENSE

"The offense broke all the passing records in the National Football League last year, and that's something that we are all very proud of. We feel that we have those same capabilities to continue that record-breaking pace throwing the ball, but we also know that we need better balance. You have to have a running game and it was evident in the Super Bowl that ours needs improvement. When the 49ers went to six defensive backs and four linemen and invited us to run, we weren't able to run. We're going to have to work hard on playing against more defenses that use that philosophy."

QUARTERBACK

***DAN MARINO, DON STROCK, JIM JENSEN**

"DAN MARINO, in his second season, broke almost all of the NFL passing records last year and that pretty much speaks for itself. He had a subpar performance in the Super Bowl, but I believe that that's going to make him hungrier to be the quarterback of a championship team this coming season. 1984 was a year that Dan just charged forward. It was just amazing the things that he accomplished. I'm obviously looking forward to seeing Dan in his third year. DON STROCK didn't get many opportunities to play, but he's a proven back-up and a real asset to have on your football team. He's a very unselfish quarterback who's in the game at all times on the sideline. If he's called upon to play, you know he'll be ready. JIM JENSEN is a jack of all trades. He has proven that he can be a back-up quarterback and that he can move the team. In training camp, we're going to give him the opportunity to do that. He becomes more and more important to us depending on squad size."

RUNNING BACK

***TONY NATHAN, JOE CARTER, EDDIE HILL, TOM VIGORITO**

"TONY NATHAN does it all and we're going to continue to give him the opportunity to make things happen for us. We would like to spell him more on early downs so that he's ready to go in long yardage situations to do the things that he does best. He also is a fine runner on first down, but we just have to give him more help. JOE CARTER is that help that we hope is ready. In some opportunities last year, he demonstrated that he's ready to go. He just needs confidence and a lot of repetitions. With the opportunities and the repetitions, I think he'll gain confidence because he has excellent ability in all areas. EDDIE HILL has been a proven back-up and a special teams player for us for several years, and he'll come to camp with the idea of being that kind of a player for us again. TOM VIGORITO has been inactive now for two years, but all reports are that he's rehabilitated well from a very severe knee injury. We're looking forward to Tom being healthy when training camp opens and competing like he did when he was a healthy player."

FULLBACK

*WOODY BENNETT, ANDRA FRANKLIN, PETE JOHNSON, RON LANDRY

"WOODY BENNETT took over when Andra Franklin went down and gave us excellent play. Woody is a very aware player and a fine blocker. He's a long strider, but he still manages to pick up big yardage for us. Woody is very important to us and is also a fine special teams performer. We're waiting to see how ANDRA FRANKLIN's rehabilitation progresses. Before the injury, Andra was an excellent runner who had worked hard to improve his receiving ability. He's going to have to continue to do those things, and hopefully rehabilitate from his severe knee injury. PETE JOHNSON is going to have to make up his mind that he wants to play. We're not going to prod him. We're going to analyze Pete in the off-season to see if he's worked to keep his weight down and to see if he's ready to go when training camp opens. If he is, then he'll be given an opportunity. RON LANDRY suffered a severe knee injury last year in training camp and we really didn't get the chance to evaluate him that we would have liked. We'll see how his rehabilitation has come along."

WIDE RECEIVER

*MARK DUPER, *MARK CLAYTON, NAT MOORE, JIMMY CEFALO, JIM JENSEN, VINCE HEFLIN

"MARK DUPER had a great start last season, and then ran into some problems. He leveled off some, but then came on strong at the end of the year. MARK CLAYTON had a fantastic year. When you realize what he accomplished, that he broke the touchdown receptions record in only his second year, it's great. It just tells you what type of ability he has and what he is capable of accomplishing. With Duper and Clayton as our receivers, we feel that we have two of the best. NAT MOORE was a real asset to our football team in 1984. When he was not in the game, he contributed on the sidelines. Mentally, he was in the game at all times ready to help in any way that he could. I'm hopeful that he'll come back and play one more year. JIMMY CEFALO is in the process of making a decision as to whether or not he wants to come back and play football, or whether he will pursue his television career. He came on strong at the end of last year and made some big plays for us in some big ballgames. Jimmy is a big-play receiver and you really enjoy having that kind of experience around you. JIM JENSEN is a possession receiver for us and he knows how to get open. Jim's got great hands and great athletic ability. He made some big catches for us when Joe Rose was sidelined because of an injury. VINCE HEFLIN has primarily been a back-up receiver and a special teams player for us. We're going to let him play a little more in the pre-season to determine whether or not he's capable of challenging the starters. Vince is a fine special teams player."

TIGHT END

*DAN JOHNSON, BRUCE HARDY, JOE ROSE

"We're looking for DAN JOHNSON to blossom this year. He's got it all going for him. Dan is very intelligent, strong, a good blocker, and he can get deep with his speed. He has excellent hands, and is a great competitor. Injuries have held him back, but I think now is the time that his career will take off. BRUCE HARDY continues to give us dependable play on offense as a blocker and receiver and is also a fine special teams player for us as the snapper on our punting team. JOE ROSE was handicapped in '84 because of a shoulder injury that he suffered in the Pittsburgh game. He had some problems with rehabilitation, but we'll look at him in the off-season and hope that he's OK and ready to come in and compete."

TACKLE

*JON GIESLER, *CLEVELAND GREEN, ERIC LAAKSO, RONNIE LEE

"JON GIESLER is finally starting to get some of the recognition that he deserves. He's a steady player, is very competitive, and he does a great job against some of the finest defensive ends in the National Football League. Jon is one of the reasons why our offensive line has been able to do such a good job of protecting the passer. CLEVELAND GREEN took over for Eric Laakso and did a great job for us. He had been a back-up player, but when he was given the opportunity, he performed the way that we hoped that he would. We didn't have any letdown in performance when Cleveland took over. ERIC LAAKSO suffered a severe knee injury and missed almost the entire season. He has been working hard on his rehabilitation, and he'll be checked to see when he's going to be ready to compete. RONNIE LEE is going to be given the opportunity to either play guard or tackle in pre-season. He's got a lot of talent and he just needs to play to show us whether or not he's ready to compete for a number one job."

GUARD

*ED NEWMAN, *ROY FOSTER, BOB KUECHENBERG, STEVE CLARK

"ED NEWMAN is a veteran of our offensive line. He had some injury problems last year, but was again a Pro Bowl player. ROY FOSTER really came on in his first opportunity as a starter and gained a lot of recognition. He was an alternate for the Pro Bowl and we just think his career is ready to take off. We're going to have to wait and see what the decision is on BOB KUECHENBERG, but he's been a great player for us and we missed him last year, especially his competitiveness and his leadership. STEVE CLARK is a lineman who could play either offense or defense. He's been around long enough now to know our system. This is what training camp is for, to give people like Steve a chance to show what they can do in actual ballgames."

CENTER

*DWIGHT STEPHENSON, JEFF TOEWS

"DWIGHT STEPHENSON is the guy who makes it all work on our offensive line. He's got the respect of everyone and we think he is the finest center in the National Football League. Dwight is a great competitor and is one of our captains. JEFF TOEWS is a back-up offensive lineman who has played well for us when given the opportunity. We're going to again give him the opportunity to win a job, but regardless, he'll continue to snap for us on field goals."

DEFENSE

"Our defense went through a tough year. We started out with some consistency and then we had some serious defensive problems in the middle of the season. We managed to snap out of it just in time for the playoffs and played well in postseason until the Super Bowl. We hope that this off-season and training camp will benefit our young, inexperienced players. We need to be better defensively than we were last year in order to win."

DEFENSIVE END

*DOUG BETTERS, *KIM BOKAMPER, MIKE CHARLES, CHARLES BENSON

"DOUG BETTERS was the Defensive Player of the Year two years ago, and last year at times, he played back to that form. Doug needs more consistency, and with his talent and knowledge and experience, there isn't any reason why he shouldn't be talked about in the same breath as Mark Gastineau and Howie Long. Injuries again hurt KIM BOKAMPER. He was playing well for us and then had a leg injury. He had to come back before he was really ready because of an injury to Mike Charles. What we need is a solid, healthy season from beginning to end for Kim to show us what he can do. MIKE CHARLES showed flashes of being the big, strong defensive lineman that we want, but he also was knocked out by an injury just as he was starting to come on. He's going to have to start all over again in training camp and hopefully be the strong defensive lineman that we're looking for. CHARLES BENSON is a player with some ability, but he really hasn't been tested. He has to get it going for us this year and we're going to give him a lot of opportunities in the pre-season."

NOSE TACKLE

*BOB BAUMHOWER, BILL BARNETT

"BOB BAUMHOWER had a tough year as far as injuries, but he struggled through it. He missed the Pro Bowl, but a healthy Baumhower is one of the best and his off-season surgery has hopefully corrected his problems. We're looking for him to return to the form that he displayed when he was a healthy football player. BILL BARNETT is a good back-up and a guy who is very dependable. He's always ready to play, and when he's given the opportunity,he plays well. He's an ideal back-up player."

LINEBACKER

*BOB BRUDZINSKI, *CHARLES BOWSER, *JAY BROPHY, *MARK BROWN, A.J. DUHE, EARNIE RHONE, JACKIE SHIPP, RODELL THOMAS, SANDERS SHIVER, RON HESTER

"BOB BRUDZINSKI had another consistent season for us and that's what Bob gives you whenever he lines up. You know you're going to get consistency and dependability with Bob. CHARLES BOWSER was handicapped by some injuries and missed some playing time last year. He has done some things very well for us like rushing the passer, but we just need more consistency from him and more improvement in his pass defense. JAY

BROPHY gave us about what we expected. He's a real competitor. He had a lot of injury problems in his rookie year, but with an injury-free 1985, we think that Jay will be more of a take-charge guy. Hopefully, he'll help us be the kind of defensive football team that we want to be. MARK BROWN did some extremely good things for us last year, but the occasional big mistakes he made really hurt us. In his third year, we feel that the mistakes are going to be cut down and that we're going to get much more consistent play from Mark. A.J. DUHE was plagued by injuries all year long and had surgery in the off-season that hopefully has corrected his problems. I'd like to see A.J. play back to the form that he played at two years ago. EARNIE RHONE also was handicapped by injury. He got hurt at the beginning of training camp and then was given an opportunity to start, but he never performed the way he did when he was a healthy player. We're looking forward to seeing Earnie bounce back to be the healthy competitor that he was. JACKIE SHIPP is a player that we're anxious to see develop in our training camp and pre-season. He's got all the ability that we're looking for. We hope that he'll prove that he's capable of doing the things that we want our number one pick to do for us. RODELL THOMAS was handicapped by a neck injury last year. He played in passing situations for us, and then the injury knocked him out of action. We'll have to wait to see what the doctors say about his condition. SANDERS SHIVER is a player with a lot of talent who made our football team and did some good things. He needs more consistency and needs to be more aware of our defensive schemes. RON HESTER is another young player that we've kept around although he's been injured for two years. He has a great deal of potential, and we hope that someday he realizes that potential."

CORNERBACK

*DON McNEAL, *WILLIAM JUDSON, ROBERT SOWELL, FULTON WALKER

"DON McNEAL was hindered by injury again last season, but when he came back, he played well for us. McNeal needs to be able to get through a year injury-free and then he'll prove that he is one of the best cornerbacks in football. WILLIAM JUDSON played very well for the last two years as a starter, and with Judson and McNeal, we think that we have two of the best. ROBERT SOWELL is a special teams player and a back-up cornerback who will get more and more playing time as an extra defensive back. We will continue to evaluate his progress at CB, but we also need his special teams leadership. FULTON WALKER is primarily a kick returner and his average last year wasn't as good as it's been in the past. He had some injury problems though, and we'll check his progress and hope that he returns to the form that he showed when he broke the Super Bowl return records."

SAFETY

*GLENN BLACKWOOD, *LYLE BLACKWOOD, MIKE KOZLOWSKI, PAUL LANKFORD, BUD BROWN

"GLENN BLACKWOOD is the leader of our secondary. He's a real competitive player who gives us everything that he has both mentally and physically. LYLE BLACKWOOD is the guy who stops the runners that break through to our secondary. He manages to make a lot of tackles for us and he's a great competitor and a big-play player. MIKE KOZLOWSKI is a situation player who will be given an opportunity to try to win a job as a starter in pre-season. Mike knows our defensive schemes, and he's ready to compete to be a first teamer. He's also a fine special teams player. PAUL LANKFORD has a lot of ability and he's also going to be given an opportunity to be a starter in our secondary. All of his ability needs to be in there on every play though. BUD BROWN made our team as a rookie and is a very aware player. He also will play a lot in pre-season."

KICKER

*UWE VON SCHAMANN, *REGGIE ROBY

"UWE VON SCHAMANN had a tough year in 1984, but then he came on in the Super Bowl and did a great job for us. The mystery about Uwe is the inconsistency during the season. REGGIE ROBY had consistency during the year and then had a tough day in the Super Bowl. We feel that Reggie has one of the strongest legs in the game and I'm sure that he'll prove that he's the top kicker in the NFL in the years to come."

HISTORICAL HIGHLIGHTS

1984

March 5 — Miami Dolphin Owner Joseph Robbie announces plans to build a new multi-purpose stadium in north Dade County. Mr. Robbie also announces acquisition of the land and discusses possible stadium funding.

June 24 — Running back David Overstreet is killed in an automobile accident in Winona, Texas.

July 6 — The Dolphins name Joe Abrell to the post of Vice President/Public Affairs.

September 2 — Miami defeats the defending NFC Champion Washington Redskins 35-17 in the season opener at R.F.K. Stadium. QB Dan Marino completes 21 of 28 passes for 311 yards and five TDs while WR Mark Duper catches six balls for 178 yards and two scores.

October 7 — Dolphins beat Pittsburgh 31-7 to move Head Coach Don Shula into third place on the NFL's list for all-time winningest coaches. Shula now has 219 regular season victories.

October 21 — Wide receiver Nat Moore catches a 19-yard TD pass from QB Dan Marino for the 58th touchdown of his Dolphin career. That surpasses Larry Csonka's all-time club record of 57.

November 11 — The Dolphins remain the NFL's only unbeaten team as they improve their record to 11-0 (16 straight regular season wins) with a 24-23 victory over Philadelphia. DE Doug Betters' block of an Eagle PAT with 1:52 remaining in the game seals the win.

November 26 — Miami clinches the AFC Eastern Division title with a 28-17 triumph over the Jets. The Dolphins have now won or shared that distinction in 12 of the previous 15 years.

December 2 — The Dolphins lose a 45-34 decision to the Raiders, but QB Dan Marino breaks the all-time NFL record for TD passes in a season with his 37th. He also shatters Dolphin single game records for most yards passing (470), most completions (35), and most attempts (57).

December 12 — Squads for the AFC-NFC Pro Bowl are announced with eight Dolphins being named to the team including four starters in WR Mark Duper, QB Dan Marino, G Ed Newman, and C Dwight Stephenson, plus four reserves in NT Bob Baumhower, WR Mark Clayton, LB A.J. Duhe, and P Reggie Roby. G Roy Foster and T Jon Giesler are selected as alternates.

December 17 — Miami ends the regular season with the best record in the AFC (14-2) following a 28-21 victory over Dallas. WR Mark Clayton catches three touchdown passes to give him 18 for the season as he eclipses the all-time NFL mark in that category. Dan Marino becomes the first-ever NFL quarterback to pass for over 5000 yards in a season as he ends up with 5084. Both Clayton (73/1389) and WR Mark Duper (71/1306) surpass prior Dolphin records for receptions and reception yardage in one season.

December 20 — QB Dan Marino is named as the NFL's Most Valuable Player by Associated Press.

1985

January 6 — The Dolphins defeat the Steelers 45-28 in the AFC Championship Game in Miami to earn a berth in Super Bowl XIX.

January 8 — Joseph Robbie gives the go-ahead to prepare final plans and specifications to construct the new 73,000 seat Dolphin Stadium.

January 20 — The Dolphins drop a 38-16 decision to the San Francisco 49ers in Super Bowl XIX before 84,059 fans in Stanford Stadium in Palo Alto, Cal.

February 15 — Miami names 42-year-old Mel Phillips as its new defensive backfield coach. Phillips comes to the Dolphins after five seasons in the same capacity for the Detroit Lions.

March 14 — Following a presentation led by Joseph Robbie to NFL owners at the league meetings in Phoenix, Miami is selected as the site for Super Bowl XXIII (1989).
